Flute Frenzy Workshop for 5th and 6th grade students

What will they learn: This introductory flute choir program is designed specifically to give first and second-year students an opportunity to learn and perform chamber music with their peers. In the process, they stretch their musical skills and become more confident performers. They'll be introduced to ensemble music and will have the opportunity to learn about the other members of the flute family (piccolo, alto and bass).

Where and when: Students will meet for instructional rehearsals 6:30-7:30 p.m. at the Williamsburg United Methodist Church on the following Tuesday evenings: April 13, 20, 27, May 4, 11 and 18. They will perform for family and friends at the end of the session.

About the directors: The teachers for this program will be Margaret Carlson and Andrea Fegley-Pavlak. Both are professional flutists with masters degrees in flute performance.

Cost: Tuition for this 6-week program is \$75.00. Need-based tuition assistance is available.

To register: Visit www.flutefrenzy.org to download a registration form. Deadline for registration is April 9th. If you have any questions, please contact Paula Keller @ 784-3903.
