

FLUTE FRENZY

DIRECTOR/PRIVATE TEACHER RECOMMENDATION

<http://www.flutefrenzy.org>

Your student, _____, has registered to participate in Flute Frenzy during the school year _____. Flute Frenzy is a flute choir experience offered to middle and high school flutists in the Williamsburg area. Students play a mixed repertoire of music for C flute, piccolo, alto flute and bass flute in ensemble. Each student will have an opportunity to experience all instruments and parts.

Flute Frenzy rehearses each Tuesday evening and students are grouped according to high school and middle school participants. Rehearsals are scheduled 6:00-9:00 p.m. with each group receiving 1.5 - 2 hours of rehearsal time.

Flute Frenzy performances could include the Occasion for the Arts, Farmers Market, concerts at the library, local churches, and nursing homes, as well as any special presentations which are requested.

We would like to maintain active communication with all music directors to coordinate schedules. It is our desire that the Flute Frenzy experience will provide the participants with improved skills which will enhance their other musical activities. We believe you will find that to be the case.

We appreciate your recommendation of this student.
